Le Belle Mura

Decorative Plaster and Paint Line

Pittura Decorativa alla Calce- "Lime Paint"

A mineral paint based on slaked lime putty finely filtered and seasoned for at least 6 months. It is environmental friendly and VOC free. Easy to apply, it is naturally resistant against mold and bacteria. Pittura alla Calce "lime paint" is suitable for interior and exterior wall surfaces. "Lime Paint" is used to create aged effects over existing plaster or new plasters from "Le Belle Mura".

Surface preparation: It is necessary to prime all surfaces accordingly. Apply a coat of Fondo Fine over the surface. Apply with a brush or roller evenly over the surface.

Application: Apply "Lime Paint" with a sponge, roller, brush, or sponge trowel in a fashion to create the desired effect. "Lime Paint" may be applied in one, two, or three coats depending on desired effect. Allow to dry in between coats.

Available in: 1Quart, 1Gallon, 2 Gallons, & 4 Gallon pails.

Spread rate: 35-50 Sq. ft per quart
