Le Belle Mura

Decorative Plaster and Paint Line

Encausto Fiorentino

An elegant marble finish creating opaque effects.

Surface preparation: Can be applied on both interior/exterior surfaces. It is recommended to apply over other natural lime surfaces, but it can also be applied after one coat of Primer RV, on plaster, plaster by-products, or old paint, if surface is not cracked or peeling.

Application: Spread a coat of Encausto Fiorentino with a stainless steel trowel to level the surface. (Photo No. 1). Apply a second coat of Encausto Fiorentino as to obtain a perfectly smooth surface (Photo No. 2). Once the product is dry, compress slightly and polish with a clean stainless steel trowel until the desired result is obtained (Photo No. 3).

Encausto Fiorentino: Available in: 1 Quart, 1 Gallon, 2 Gallons, & 4 Gallons pails
Spread rate: 12 to 15 Sq. ft. per quart.
