## *Stucco Marmo Antico*

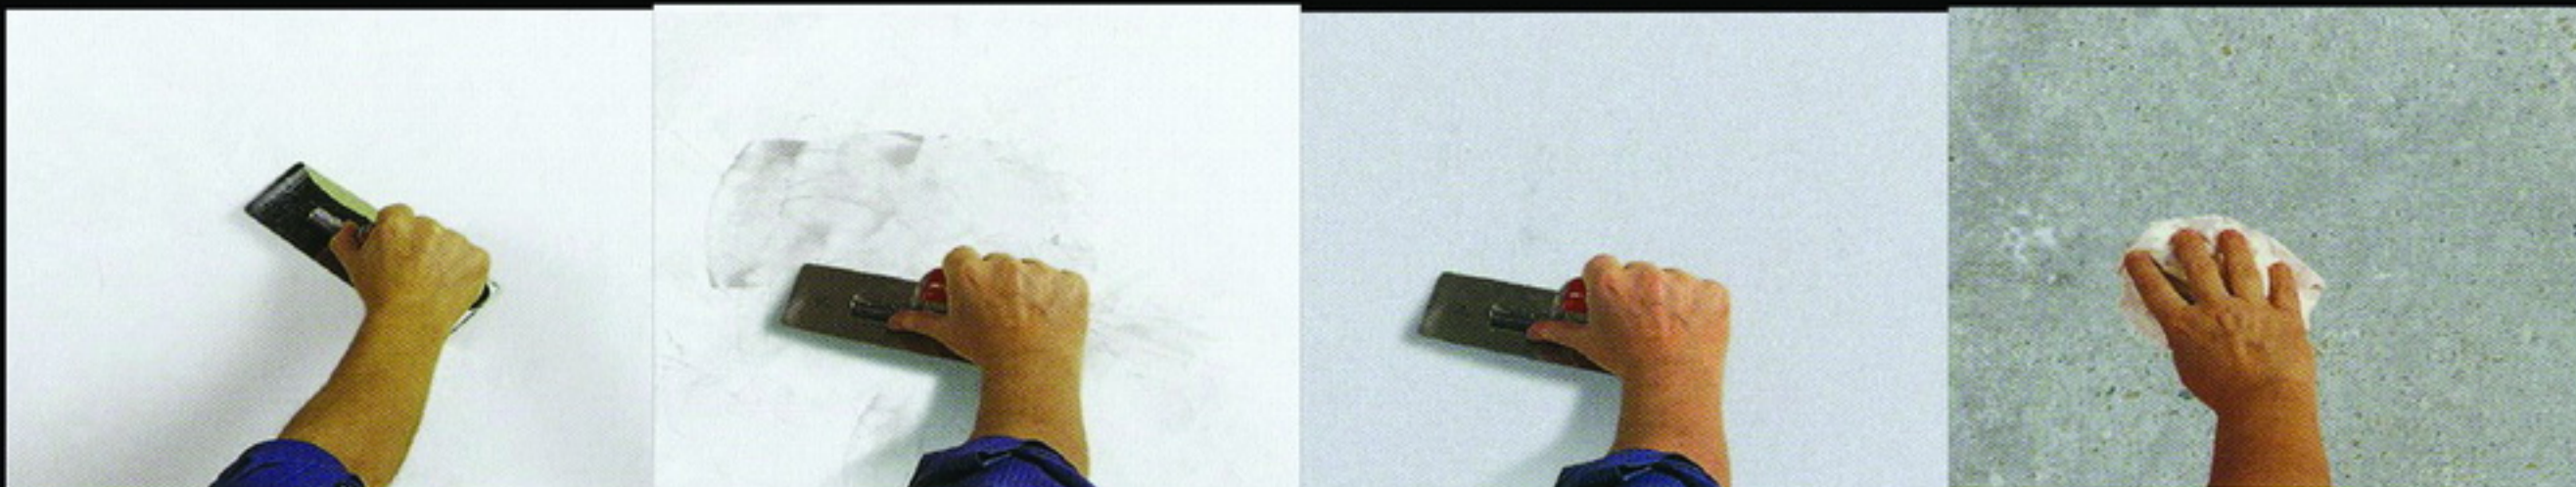

*Italian marble plaster with an innovative style for contemporary finishes. This product is a natural decorative plaster, formulated according to the original formulas with the features of new technology. It allows you to obtain a marble-like finishing with a spotted semi-flat effect.*

*Surface preparation: Apply a coat of Primer RV over the entire surface evenly with a brush or roller. (Photo No.1) If surface is primed with Primer RV, you may apply over existing plaster, cement, and plaster board.*

*Application: Apply a coat of Marmo Antico with a stainless steel trowel to level the surface. (Photo No. 2) Apply a second coat of Marmo Antico to obtain a perfectly smooth surface. As the product is drying, compress slightly and begin to polish with a clean stainless steel trowel until the desired effect is obtained. (Photo No. 3)*

*Available in: 1 Quart, 1 Gallon, 2 Gallons, & 4 Gallon pails.*

*Spread rate: 11-15 Sq. ft. per quart.*
