Decorative Plaster and Paint Line

## Stucco Veneziano

A classic polished finish for contemporary or Old World charm. Stucco Veneziano is a "Venetian Type Plaster" most often characterized by its smooth, polished, and textured finish.

*Surface preparation:* Recommended to be applied over new plaster, drywall, or paint, with the application of one coat of Primer S.

*Application:* Spread a coat of Stucco Veneziano with a stainless steel trowel over the surface. (Photo No. 1). When the first coat has dried, spread a second coat of product same as first coat. When second coat is dry, apply little spots of product and then take them away ("put and remove" technique). (Photo No. 2) Once the product is dry, about 1-3 hours, lightly sand and polish until the desired result is obtained. (Photo No. 3)

*Available in:* 1 Quart, 1 Gallon, 2 Gallons, & 4 Gallon pails.

*Spread rate:* 12 to 26 Sq. ft. per quart.

*Stucco Veneziano Neutro* – Used to obtain darker tones.

*Stucco Veneziano Classico* – Used to obtain lighter tones.

**Atova.**
