

L-105

SAFETY DATA SHEET

Revision n. 0 dated 12/10/2000

Page n. 0 of 3

1 - CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product identification

Product name **L-105**
Description/use..... Transparent protective finishing paste

Company identification

Name..... Atova International
2452 N Harlem
address..... Elmwood Park, IL 60707
Telephone..... 866-452-9982
Fax..... 708-452-8331

2 - COMPOSITION / INFORMATION ON INGREDIENTS

Basic Composition:

Water borne preparation based on acrylic resins.

3 - HAZARDS IDENTIFICATION

The product does not contain any hazardous components according to EEC regulations

4 - FIRST AID MEASURES

Skin contact..... Wash with soap and water and rinse well
Eye contact..... Wash immediately with plenty of water
Ingestion..... Seek immediate medical advice. Do not induce vomiting nor administer any substance not advised by a doctor

5 - FIRE FIGHTING MEASURES

Suitable extinguishing media..... Powder, foam, water-spray, CO₂
Specific hazards None to our knowledge

6 - ACCIDENTAL RELEASE MEASURES

Environmental precautions..... Do not discharge in sewers or water points.
Method of cleaning up:
Recovery..... Contain and recover the product by fixing with an absorbent (e.g. earth, sand or other aggregates)
Disposal..... Always according to local regulations.

Atova International
2452 N Harlem, Elmwood Park, IL 60707
Phone: 866-452-9982, Fax: 708-452-8331

Revision n. 0 dated 12/10/2000

7 - HANDLING AND STORAGE

Handling..... Observe good standards of working hygiene.
Keep away from food, drink and animal foodstuff.
Do not smoke when using.

Storage Store the product in tightly closed containers in a
cool area with adequate ventilation.
Protect from frost and keep away from heat

8 - EXPOSURE CONTROLS / PERSONAL PROTECTION

Personal protective equipment

Hand protection Wear waterproof gloves
Eye protection Wear protective glasses
Specific hygiene measures When using do not eat, drink or smoke

9 - PHYSICAL AND CHEMICAL PROPERTIES

Physical state liquid
Odour slight characteristic odour
Average specific weight 1,02 kg/dm³
pH value 8,0 - 9,0
Flash point Not applicable Boiling point
..... 100 °C Solubility.....
dispersible in water; not soluble in solvents

10 - STABILITY AND REACTIVITY

Stability Stable under normal storage conditions.
Condition to avoid None to our knowledge.
Hazardous decomposition products None under normal conditions of use
(By thermal decomposition, formation of CO, CO₂)

11 - TOXICOLOGICAL INFORMATION

Acute toxicity..... No toxic effect to present day knowledge

12 - ECOLOGICAL INFORMATION

General norms..... Use the product according to good working practise
and do not disperse the product nor the containers
in the environment.

13 - DISPOSAL CONSIDERATIONS

Measures for disposal Consider regulations in force.
Eventual treatment in specialised centres
Incineration in approved installation.
Discharge authorised for polymerised products.

Measures after spillage or leakage..... Store away from water sources.
Do not empty into drains.
Do not discharge washing water into public sewers
and water points.

Destroying procedure of
contaminated packaging..... Commercial packaging must be allowed to dry then
emptied and disposed of according to local
regulations. Cleaned packaging may be recycled.

14 - TRANSPORT INFORMATION

International regulations Regulations do not apply to this product.

15 - REGULATORY INFORMATION

EEC Regulations Not applicable
EEC labelling This product is not labelled with hazard symbols

16 - OTHER INFORMATION

Training..... None to our knowledge
Restricted use..... The product is to be used in the building industry
exclusively in accordance to the instructions on the
technical data sheet.

The information contained in this sheet is based on our knowledge of the product at the date of the last review. This sheet completes the technical data sheet but it does not replace it.
The user of the product must ensure himself of the suitability and the competence of the information in relation to the specific use of the product.
